

SOFITEL LONDON HEATHROW LISTED IN TOP 40 LUXURY HOTELS IN THE UK/ IRELAND

London Heathrow, 26th October 2011 – Sofitel London Heathrow has reinforced its reputation as one of the best airport hotels now being listed in the Top 40 Luxury Hotels in the UK/ Ireland by Condé Nast Traveler, a US Magazine published by Condé Nast.

The issue, which hit newsstands yesterday, ranks the hotel at 35th along with many other well known luxury brand hotels. The hotel is the only airport hotel on the list as well as being the largest property boasting 605 guest rooms and suites.

These rankings come from more than 8 million votes cast in the annual Readers' Choice Awards survey. These awards reflect the combined opinions of 28,876 Condé Nast Traveler readers rating the cities, islands, and hotels they visited in the past year, and the airlines and cruise ships they travelled with.

Sofitel London Heathrow has already become established as the premier hotel in the area for business and leisure guests as well as Meetings, Incentives, Conference and Events attendees. Most importantly, guest feedback and repeat business levels are exceptionally high.

One of the 'next generation' of luxury airport hotels with some of the largest meetings and events facilities in Europe, Sofitel London Heathrow is the only hotel at Terminal 5 (T5). The 605-bedroom Sofitel London Heathrow is joined to T5 with a covered walk-way and is just 21 minutes from central London via the Heathrow Express. It also has the largest onsite, undercover parking facilities in the area.

The Spa at Sofitel London Heathrow features a luxurious sanctuary for soothing relaxation and natural treatments using ESPA products. Wellness programmes include a specially formulated 'Body clock' programme.
