London Heathrow, 24<sup>th</sup> October 2011 – Sofitel London Heathrow has yet again earned a spot for the 2<sup>nd</sup> year running on the Top Luxury Hotels in the British Isles category by Condé Nast Traveler, a US Magazine published by Condé Nast.

The hotel was ranked 35<sup>th</sup> in 2011, but has managed to climb upwards on the list, which is compiled from opinions of more than 30,000 Condé Nast Traveller readers covering all hotels in the UK & Ireland. The hotel was yet again the only airport hotel on the list as well as being the largest property boasting 605 guest rooms and suites.

“We are delighted to have further improved our ranking in the previous year and look forward to working even harder to go that extra mile and provide the magnifique services that we know are capable of”, said Vincent Madden, General Manager.

Sofitel London Heathrow has already become established as the premier hotel in the area for business and leisure guests as well as Meetings, Incentives, Conference and Events attendees. Most importantly, guest feedback and repeat business levels are exceptionally high.

One of the ‘next generation’ of luxury airport hotels with some of the largest meetings and events facilities in Europe, Sofitel London Heathrow is the only hotel at Terminal 5 (T5). The 605-bedroom Sofitel London Heathrow is joined to T5 with a covered walk-way and is just 21 minutes from central London via the Heathrow Express.

The Spa at Sofitel London Heathrow features a luxurious sanctuary for soothing relaxation and natural treatments using ESPA products. Wellness programmes include a specially formulated ‘Body clock’ programme.
